[- NOXIOUS WEEDS](#)

### **2020 VERMONT's Designated "Noxious Weeds" (definition below)**

#### **(A) Class A Noxious Weeds.**

- (1) Cabomba caroliniana (fanwort)
- (2) Egeria densa (Brazilian elodea)
- (3) Hydrilla verticillata (hydrilla)
- (4) Hygrophila polysperma (east Indian hygrophila)
- (5) Myriophyllum aquaticum (parrot feather)
- (6) Myriophyllum heterophyllum (variable-leaved milfoil)
- (7) Salvinia auriculata (giant salvinia)
- (8) Salvinia biloba (giant salvinia)
- (9) Salvinia herzogii (giant salvinia)
- (10) Salvinia molesta (giant salvinia)
- (11) Vincetoxicum hirundinaria (syn: Cynanchum rossicum ) (pale swallow-wort)

#### **(B) Class B Noxious Weeds.**

- (1) Aegopodium podagraria (goutweed/bishopsweed/snow-on-the-mountain)
- (2) Ailanthus altissima (tree-of-heaven)
- (3) Alliaria petiolata ( A. officinalis ) (garlic mustard)
- (4) Butomus umbellatus (flowering rush)
- (5) Celastrus orbiculatus (oriental bittersweet)
- (6) Fallopia japonica (syn: Polygonum cuspidatum ) (Japanese knotweed)
- (7) Hydrocharis morsus-ranae (frogbit)
- (8) Lonicera x bella (bell honeysuckle)
- (9) Lonicera japonica (Japanese honeysuckle)
- (10) Lonicera maackii (amur honeysuckle)
- (11) Lonicera morrowii (Morrow honeysuckle)
- (12) Lonicera tatarica (Tatarian honeysuckle)
- (13) Lythrum salicaria (purple loosestrife)
- (14) Myriophyllum spicatum (Eurasian watermilfoil)
- (15) Nymphoides peltata (yellow floating heart)
- (16) Phragmites australis ssp. australis (common reed)
- (17) Potamogeton crispus (curly leaf pondweed)
- (18) Rhamnus cathartica (common buckthorn)
- (19) Rhamnus frangula (syn: Frangula alnus ) (glossy buckthorn)
- (20) Trapa natans (water chestnut)

- (21) Vincetoxicum nigrum (syn: Cynanchum louiseae ) (black swallow-wort)
- (22) Acer platanoides (Norway maple) [\* ]
- (23) Berberis vulgaris (common barberry) [\* ]
- (24) Berberis thunbergii (Japanese barberry) [\* ]
- (25) Euonymus alatus (burningbush) [\* ]
- (26) Iris pseudacorus (yellow flag iris) [\* ]
- (27) Acer ginnala (Amur maple) [\* ]
- (28) Najas minor (European naiad) [\* ]
- (29) All weeds listed in 7 C.F.R. 360.200 as amended, which is hereby incorporated by reference including subsequent amendments and editions.

[\* ]Specimens of these species acquired prior to the final filing of this rule may be sold or offered for sale until July 1, 2013.

## 20 031 021. QUARANTINE #3 - NOXIOUS WEEDS

---

### **Section I** Statement of Concerns.

Whereas, the Vermont Agency of Agriculture, Food & Markets having found that certain noxious weeds out compete and displace plants in natural ecosystems and managed lands; and

Whereas, competition and displacement of plants by certain noxious weeds has significant environmental, agricultural and economic impacts; and

Whereas, it has been determined to be in the best interest of the State of Vermont to regulate the importation, movement, sale, possession, cultivation and / or distribution of certain noxious weeds:

Therefore, the State of Vermont is hereby establishing this noxious weed quarantine regulation in order to protect Vermont's environmental and economic resources.

### **Section II** Definitions.

"Class A Noxious Weed" means any noxious weed that is not native to the State, not currently known to occur in the State on the date of listing, and poses a serious threat to the State.

"Class B Noxious Weed" means any noxious weed that is not native to the state, is of limited distribution statewide, and poses a serious threat to the State, or any other designated noxious weed being managed to reduce its occurrence and impact in the State, including those on the Federal Noxious Weed List (7 C.F.R. 360.200).

"Committee" means the Vermont invasive exotic plant advisory committee appointed by the secretary.

"Cultivate" means to intentionally promote or improve the growth of a plant by labor and attention.

"Distribute" means the intentional act of transporting or disseminating plant material for the purposes of

spreading or establishing a new location for said materials, whether for commercial gain or not, in knowing violation of this rule.

"Move" means the intentional act of transporting plant material from the property where said material originates, whether for commercial gain or not, in knowing violation of this rule.

"Noxious Weed" means any plant in any stage of development, including all current and subsequent subspecies, varieties, and cultivars, and parasitic plants whose presence, whether direct or indirect, is detrimental to the environment, crops or other desirable plants, livestock, land, or other property, or is injurious to the public health or the economy generally.

"Plant" means trees, shrubs, and vines; forage, fiber, and cereal plants; cuttings, grafts, scions, buds and lumber; fruit, vegetables, roots, bulbs, seeds and wood; other propagative materials; and all other plants, parts of plants, and plant products.

"Possession" means to intentionally grow, manage or cultivate through planting, pruning, watering, fertilization, weeding, propagation, or any other means that promotes the growth of the noxious weed. This does not include the incidental or unintentional occurrence of a noxious weed on wild or managed land.

"Secretary" means the Secretary of the Agency of Agriculture, Food and Markets, or his or her designee.

### **Section III** Statutory Authority.

This rule is established by the Agency of Agriculture, Food and Markets under the authority granted to the secretary at 6 V.S.A., Chapter 84, 'Pest Survey, Detection and Management', and 6 V.S.A., § 1(a)(10) , 'General powers of agency; secretary of agriculture, food and markets.

### **Section IV** Designation as a Noxious Weed.

Designation or deletions of noxious weeds shall occur through the following procedure and criteria:

- (A)** The secretary shall establish, with input from the committee, a list of prohibited noxious weeds.
- (B)** The prohibited weed lists (Class A and Class B lists as appears in Appendix A) will be reviewed annually by the committee to make recommendations for listed species additions or deletions.
- (C)** Completion and review of pest risk assessments (described below):
  - 1.** Evaluation of real or potential environmental, economic or other impacts of species prohibitions, and
  - 2.** other activities as deemed necessary by the committee to provide a comprehensive and defensible rationale for additions or deletions to the lists, and
  - 3.** review of presence of established weed populations, and eradication and control efforts, and the success of these efforts.
- (D)** The following conditions shall be met for a plant or plant product to be designated as a Class A or B Noxious Weed:
  - 1.** As determined by a pest risk assessment, a prohibited noxious weed must pose an actual or anticipated threat to a substantial agricultural, forestry or environmental interest and / or the general public;
  - 2.** Prohibiting a specified noxious weed is likely to contribute to the objective of preventing introduction or for limiting the spread and / or severity of the noxious weeds impact to the agricultural, forestry or environmental interest, or the general public;
  - 3.** No substitute or alternative mitigating action will accomplish the same pest prevention purpose; and
  - 4.** The economic and/or environmental benefits of prohibiting a specified noxious weed outweigh the economic and/or environmental benefits associated with not prohibiting the noxious weed.
- (E)** The following factors shall be used to evaluate whether a plant or plant product has satisfied the conditions for designation as a Class A or Class B Noxious Weed:
  - 1.** Native origin of the plant;
  - 2.** Known distribution;
  - 3.** Mechanism and potential for spread to and within Vermont;
  - 4.** Past, current and potential environmental, economic and human health impacts;
  - 5.** Feasibility of control and spread prevention;
  - 6.** Regional and national perspective;
  - 7.** Designation as a federal noxious weed; and / or

**8.** Other pertinent factors as determined by the committee.

**(F)** At the secretary's discretion, the noxious weeds recommended by the committee will be added to either the A or B list of prohibited species, rejected for addition, or sent back to the committee for further evaluation and review.

**Section V** Prohibitions.

**(A)** The movement, sale, possession, cultivation, and / or distribution of Class A Noxious Weeds designated in Appendix A of this rule is prohibited.

**(B)** The sale, movement, and / or distribution of Class B Noxious Weeds designated in Appendix A of this rule is prohibited.

**(C)** Violation of any of these prohibitions may result in:

- 1.** The issuance of cease and desist orders; and / or,
- 2.** Temporary or permanent injunctions; and / or,
- 3.** Administrative penalties as specified in 6 V.S.A., Chapter 1, Section 15 , and Chapter 84, Sections 1037 and 1038.

**(D)** Prohibitions on possession, cultivation, movement and distribution of plants addressed in V.S.A. titles other than Title 6 remain applicable.

**Section VI** Variances and Exemptions.

**(A)** A variance may be granted by the secretary to allow for the movement, possession and field experimentation of noxious weeds for scientific, educational, or other purposes under such conditions as may be prescribed by the secretary. Any variance(s) shall be in the form of a permit issued by the secretary.

**(B)** Transportation of any Class A or B Noxious weed on any road or highway of the state is exempt if:

- 1.** For disposal as part of a management control activity; or
- 2.** For the purpose of identifying a species or reporting the presence of a species, and the Class A or B Noxious weed is in a sealed container.

**(C)** Preserved specimens in the form of herbaria or other preservation means are exempt.

**(D)** Varieties, cultivars, hybrids and/or subspecies that have been shown through scientific research and analysis not to be invasive are exempt. Those cultivars and varieties so demonstrated as non-invasive are listed in the attached Appendix B.

**(E)** Except as described in (B) above, permits for movement and disposal of listed weeds and associated material (soil, debris, etc.) may be granted by the secretary for the purposes of weed control or infestation mitigation efforts after review of the proposed procedures and disposal site(s). In granting permits, specific consideration shall be made regarding the location of disposal and monitoring sites and whether the movement and disposal effort(s) accomplishes the general intent of reducing the overall impact of noxious weeds on the environment.
